

Every care has been taken to provide our sizing charts, but the responsibility of selecting the correct size based on our guides rests with YOU the client. To help you choose the best size, we recommend that you compare the measurements with your own garments.

NOTE: ADULT UNISEX SIZING MAY DIFFER FROM CONVENTIONAL SIZING. CHEST & LENGTH MEASUREMENTS ARE MADE WITH THE GARMENT LAID FLAT AND MEASURED SEAM TO SEAM.

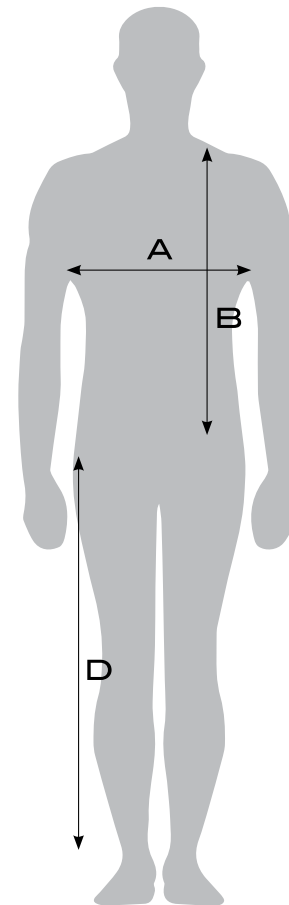

FINDING YOUR SIZE

1. Find a similar garment that you already own and that fits you well.
2. Take the garment and lay it out on a flat surface, smoothing away any wrinkles from the fabric's surface.
3. Measure the lines as shown in the image from seam to seam.
4. Compare your measurements to the size guides in the document to choose the best equivalent size.

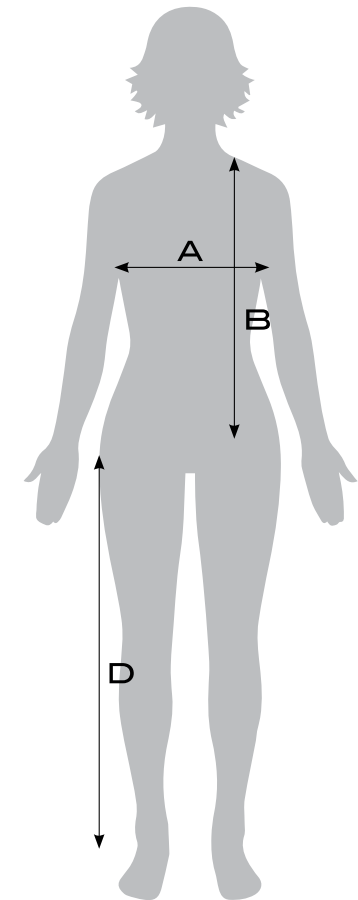

Between sizes?

We suggest you order one size up if you need additional room.
